TORONTO TALKS 2011

There is a dire need for de-radicalization of our youth in particular and bringing ethnic/faith groups together in general to break away from the prescribed multi-cultural notions that we are forced to live under. For this purpose Forum for Learning has undertaken to start **TORONTO TALKS 2011 SERIES**. Throughout the year, we will discuss a wide range of issues from a Canadian perspective through eloquent speakers, challenging debates & dialogue enhanced by multifaith music to revive our souls.

We would like to invite you to our first event as follows:
